JTF % Office of the Clerk;

Your Honor, On June 20th, 06, at the conference hearing I notified this court that I need more time to file 285-form's & other because my unforeseen transfer to P.C.C. I also stated that my hands are tied because I hadn't received my personal property.

On June 23, 06 at approximately 11:45 a.m. I was called to the 24 building to pick up my property! Miss Summers, the property officer and I went thru my property, "My legal mail" was nowhere to be found.

I anticipated this your honor, so, on June 13th, my transfer date, upon my arrival here, I filed a Grievance to hopefully insure that This institution was aware of the situation and of the importance of this legal work. (See enclosed Grievance Report). Also, since I cannot get immediate access to the law library I would ask and appreciate it if the court would make a copy and send original back to me, I do not have enough paper to write copies myself.

I also give my deepest thanks and appreciation to this court. With the Grievance for my personal already

in progress (Enclosed) it is my claim as I have stated before that this is just another vindictiveness move from those accused to hinder me from access to the court and purposely "delay or stop" my case altogether, I would ask the court to make a call or submit in writing to H.R.Y.C.I to produce my missing property (Legal Work), which has all of my evidence, letters, dates, times, names, returned correspondence from Medical and Staff Officials, almost 2 years work of which I'm sure they will be happy to have because H.R.Y.C.I personnel knew I have nobody on the outside to maintain close ties with. They also know the whole time I've been incarcerated I hav'nt had (1) one visit!

Last, can I simply add additional dependants to this suit? I am not clear on this and I would very much appreciate some guidance.

Respectfully Yours  
Ricky J Hamby

Also Enclosed;

Letter of update to medical status.
